*I Understand that Floyds custom Shop is not responsible for the structural integrity of Slides Machined at the customer's request. Any aftermarket machining changes the structural integrity of factory specifications. We do NOT recommend using a sight pushing tool that holds to the rails for sight installation. **Please Initial** _____*

I understand that factory engraving varies in depth and may or may not be removed completely when machined for a Titan or Nocturnal Design. If your factory engraving looks deep please consider a different design. Floyds will not be responsible if there is left over engraving. **Please Initial _____*

Upon arrival we will process orders in order of receiving and do our best to get them back by 2-3 weeks, but cannot guarantee as it depends on volume of work orders Thank you for your understanding. An additional 1-2 weeks for cerakote.
