I Understand that Floyds custom Shop is not responsible for the structural integrity of Slides and Barrels Machined at the customer's request. Any aftermarket machining changes the structural integrity of factory specifications. We do NOT recommend using a sight pushing tool that holds to the rails for sight installation.

Please Initial_____

Upon arrival we will process orders in order of receiving and do our best to get them back by 3-4 weeks, but cannot guarantee as it depends on volume of work orders. Thank you for your understanding. Barrel Coating will add to the time.
